Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	college student moving to a new city	find affordable and safe rental accommodation near my college	I can't find verified listings or trustworthy landlords	most platforms have limited filters or unreliable property data	frustrated and anxious about getting scammed or living far from campus
PS-2	property owner with multiple rental properties	list and manage all my properties efficiently and find good tenants	I receive too many random inquiries and no organized system to track bookings	existing platforms don't cater to small-scale landlords' needs	overwhelmed and unsure how to manage everything digitally
